

COMMUNITY COLLABOR-8

8 ways to build sustainable resilience in changing communities

NAZNIN CHOWDHURY + NICK WOLFF

SCARCE TIMES: ALTERNATIVE FUTURES (1) | 2 JULY 2012 | KINGSLEY HALL | BROMLEY-BY-BOW

Focus of our challenge: Bromley by Bow communities are always changing, new populations to be integrated into social space..

13,000 people living in Bromley by Bow in 2012

Perhaps 33,000 people in 2062?

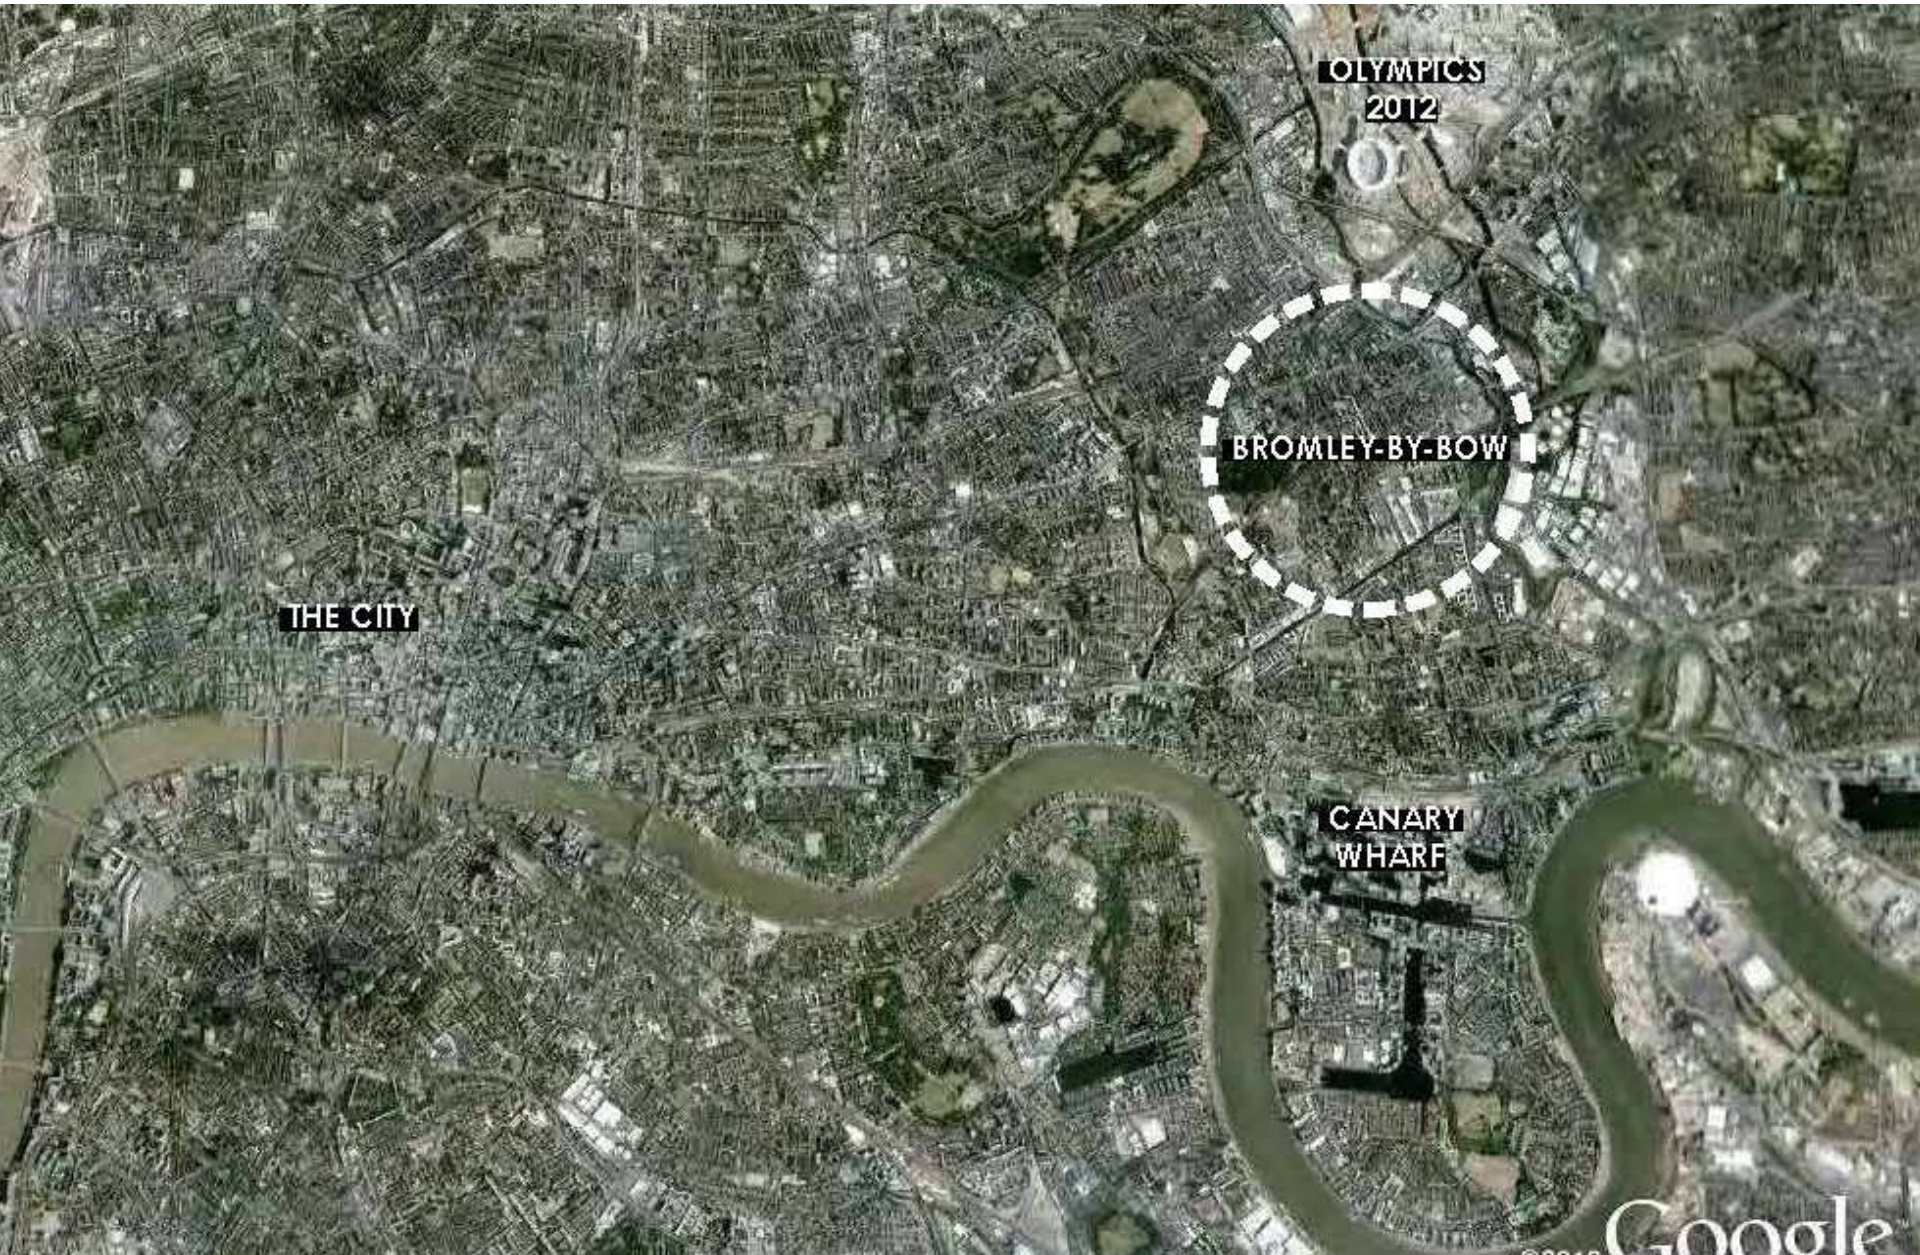

Based on GLA projections of 1.81% growth pa for Tower Hamlets to 2026

Community resilience: Where are the mixing points, the blockages how is space shared?
How to support knowledge, support, capacity, money flow in Bromley by Bow?

And how to support knowledge, support, capacity, money flow **into** Bromley by Bow?

New islands needing new bridges – and new defences
